CLAIM FOR DAMAGES AT 912 RICE STREET, NW ~ WILLIS STREET, NW

## ADMENDUM A FOR SECTION 6 ON CLAIM FORM

Upon purchasing property from E. C. Gay on March 7, 1994 located at 912 Rice Street, NW (ALL THAT TRACT or parcel of land lying and being in Land Lot 190 of the 17th District of Fulton County Georgia filed in Book 17991 Page 340) I was unaware of any such street next to this property. There was a so called driveway adjacent to the home which had established trees, kudzu, and weeds. Upon having the property surveyed after the purchase it was brought to my attention that a road called Willis Street, NW use to exist. Upon notifying City of Atlanta, Zone One Police Department, 911 Emergency Services, and Public Works this road no longer existed; therefore, I maintained the so-called road, had the trees removed, road scraped, gravel replaced, and landscape completed. After the initial improvement I called the Mayor's Office, City of Atlanta Public Works, and other various agencies to request the city and county to maintain the property. They all refused and denied this road exists.

For over four years I maintained this property AKA Willis Street, NW. I called the City of Atlanta and the Mayor's Office (Phil McDonald and Nina Gentry) to see what needed to be done to have the city and county to either maintain the road or have the easement closed down. I was told the back taxes had to be paid on the easement to have it closed. We began and during this process, Mr. Holmes with the City of Atlanta Public Works decided to make sure this easement be kept open to please his friends with Historic Howell Station/Knight Park Neighborhood Association.

For over four years I kept-up and graveled Willis Street, NW and the City of Atlanta showed no interest in the property. I kept the grass cut, road graveled, road scraped, and landscaped. Mr. Holmes within the last few weeks came onto my property to claim that the City has been taking caring of Willis Street, NW and also claimed a portion of my own property as the City of Atlanta's without any surveys. I contested Mr. Holmes actions and he stated to me "He can do what he wants to" and made racial statement toward myself and David Friedeberg and then left.

Mr. Friedeberg and myself contacted Mr. Holmes supervisor, Mr. Lance and he defended Mr. Holmes by saying they were short staffed and could not afford the time for a survey crew to come out; therefore, Mr. Holmes 'eyed in' the survey. Since this date, Mr. Holmes and Mr. Price continually come onto my property without my consent nor warrants and acted as though they owned all my property. (I did advise Mr. Holmes to obtain warrants before coming onto any of my properties since he disrupts my tenants and myself)

Claim against City of Atlanta and Fulton County (Willis Street, NW Abandonment)

Since the City of Atlanta and Fulton County abandoned the property I am demanding the amount of \$210,00.00. This amount includes all maintenance of the road, dust and inconvenience of the road being kept open to the public (i.e. Fulton County Jail employee's parking and others using the road), and harassment by the City of Atlanta Public Works Department (Mr. Holmes and Mr. Lance).

Please understand, the so-called Willis Street, NW has no road signs, is unpaved, no sewers, no curbs, and the City of Atlanta Police Department will not tow vehicles off the road since it does not register in the EMS as a road.
